

(COVID-19) Cancellation conditions 2021

Due to Corona, Camping Jagtveld has adjusted cancellation conditions in 2021 to give our guests extra security/clarity for a nice holiday on the coast. We hope through the conditions below to take away your (booking) concerns.

Your reservation will be cancelled by the campsite **free of charge** if during your booking period:

- the sanitary facilities must remain closed
- the region in which the campsite is located is locked under Dutch law

You can **rebook for free** if in your booking period:

- the borders are closed
- from your region our region has been labelled as code red region

Free cancellation or rebooking is not possible if:

- you want to move the booking to the Whitsun weekend, the months of July and August or season 2022 and beyond
- you and/or one of your travel companions must remain quarantined due to a (possible) contact with corona

If you wish to cancel your booking for a reason other than the above, the cancellation rules apply in accordance with "Article 6: Cancellation" of the 'RECRON-CONDITIONS'.

Team Jagtveld hopes to welcome you in 2021. We will do everything we can to make your stay as safe as possible (see our Corona conditions).

Hopefully until soon!

Team Jagtveld
